

I am a financial supporter of K-LOVE radio and live in Wyoming.
I have my car radio, office radio, and home radio set to K-LOVE and listen to it throughout the day (and night).
It is an encouraging, positive, and uplifting station which has an impact on those people that come by my office.
If K-LOVE were displaced by an LPFM broadcaster, my life would be changed because I count on K-LOVE to help me get through some very trying days at work and help me have an enjoyable drive home at night.
I also do some traveling during the summer and it is WONDERFUL to be able to pick-up K-LOVE almost anywhere as I drive.
Allowing LPFM broadcasters to be given priority over the translator used to bring K-LOVE to my area would not allow me the chance to hear what I need (and love) to hear!
Thank you for allowing me the opportunity to voice my concern!
